Monday 23<sup>rd</sup> March 2026

Dear Parents, Carers,

We are part of a Staffordshire Project called '**Attraction Action**' which is to help celebrate Staffordshire Day on 1st May. We have been paired with Lower Drayton Farm, and this morning, staff from the farm came into speak to Years 1-4 about the project we will be doing with them.

The children have the amazing opportunity to design Lower Drayton Farm's **new combine harvester** as part of our Staffordshire day celebrations and to promote food and farming education together. The winning design will be announced on Staffordshire Day, with the new combine harvester modelling the new design at the County Show at the end of May.

The children will be given a design sheet today and will need to draw what they think of when they think of Lower Drayton Farm and its farmers. Eg. Tulips, Pumpkins, Lambs, Maize Maze, Corn, Cows. They could also add a picture of our school, teachers, and friends.

Children who want to enter will bring a design sheet back with them today. All designs need to be in by **Friday 27th March**.

Yours sincerely,

Mr Morgan
